

What is Islam?

With knowledge comes understanding

The KORAN says:

*Surah 9:5 Fight and slay the Pagans wherever you find them, and seize them, beleaguer them, and lie in wait for them in every stratagem (of war).

*Surah 5:33 The punishment of them who wage war against Allah and his messenger and strive with might and main for mischief through the land is: execution, or crucifixion, or the cutting off of hands and feet from opposite sides, or exile from the land: that is their disgrace in this world, and a heavy punishment is theirs in the Hereafter.

Muhammad, the founder of Islam, slaughtered thousands of people in establishing and spreading Islam. He told his followers: "Who relinquishes his faith kill him. I have been ordered by Allah to fight with people till they testify there is no god but Allah, and Muhammad is his messenger.

We have arrived at a defining moment, when truth could conquer deception if the world would recognize that the Islamic terrorists are not fanatics - but devout followers of Muhammad who are following his example and doing what their Islamic Bible teaches them to do.

Now for the leader of Iran

Just weeks after his election, Ahmadinejad, the new president of Iran, addressed a conference in Tehran entitled "A World Without Zionism" and declared that: "The occupation regimes of Qods (Jerusalem, or Israel) must be wiped off the map of the world, and with the help of the Almighty, we shall soon experience a world without America and Zionism, notwithstanding those who doubt." He continued his inflammatory statements by saying, "To those who doubt, to those who ask is it possible, or those who do not believe, I say accomplishment of a world without America and Israel is both plausible and feasible."

In his comments following his election, the new president vowed to ignite a worldwide Islamic revolution of 1384(the current Iranian new year) will, if God wills, cut off the roots of injustice in the world," he said "The wave of Islamic revolution will reach the entire world."

On Sunday, June 19, 2005 Al Jazeera reported:

As a young student, Ahmadinejad joined an ultraconservative faction of the **Office for Strengthening Unity**; the radical group spawned by the 1979 Islamic Revolution and staged the capture of the US Embassy. According to reports, Ahmadinejad attended planning meetings for the US Embassy takeover and at these meetings lobbied for a simultaneous takeover for the Soviet Embassy.*

Islam the Religion of Peace With understanding comes wisdom

Here are some statistics that even a fool could not err therein.

The world wide Jihad or Holy War

****In 2009 there were:**

- 2119 terrorist attacks
- 9140 murdered in terrorist attacks
- 18,587 critically injured
- 5 different regions of the world affected
- 38 different countries were victims of attack**

Whoa, sounds peaceful to me, wait a minute could they just be misunderstood? Could be. This religion has only been preached since 632 AD. (that's about 1358 years; it is also a lot of dead people), as far as Ahmadinejad is concerned and many of the splinter groups of the Islamic religion (Al Qaeda, Hamas, Taliban etc. President Obama and his democratic lackeys bought and paid for, have chosen to isolate groups and characterize them as extremists groups and change the focus from the Muslim religion as a whole, to certain groups. So we cannot discriminate and declare those in the religion of Islam are the true culprits in their Holy War. Here is my take for those politically correct and would sacrifice the American nation. Holy War or Jihad has been declared against the U.S. and Israel and any nation that does not acknowledge Islam. Take it at face value, it is the truth, they are willing to slaughter anyone in their way and fund any and all who are willing to destroy and murder in the name of their cause, period.

The Islamic religion has declared war on America and Israel, by present and past day Imams and Clerics of Arab countries, if you are not a believer in the teachings of Muhammad and the Koran. They must win or he is a false prophet, and is in the realm of Muslim belief that cannot be. In their religion there can be no quarter, for they will not give any. It is either join them and convert or die, if you refuse, you must be killed, because the prophet Muhammad wrote the Koran and the [Islamic faith](#) has declared Holy War on all who don't believe in the writings of Muhammad.

This is the truth. It is not a war of land, oil, or wealth; it is a war of [religious ideology](#). One that will brook no argument against it, there is no negotiating. There are no diplomatic solutions only capitulation, on the part of those who wish to negotiate. Imams and the Islamic religion will not relent in its pursuit of complete control and submission of every person and nation in this world. For the religion of Islam within itself cannot fight a conventional war. For it cannot field an army, navy or air force that would have a chance in a theater of war. That is why Ahmadinejad and the Imams in Iran need nuclear weapons. It is also written that the world will be in great turmoil that will bring about their savior. So the leader of Iran, Ahmadinejad will try to bring about nuclear holocaust, so this world can be delivered into the hands of their savior. This is just a short course on a long, worldwide problem. Because of the ignorance of the stooges in

Congress and the election of a President with Muslim teaching and Islamic sympathies, leads to America is in greatest peril since WW11. Not by ignorance, but by design. For more information read the future article: Part Two.
