

I hope this wakes all you good Americans up

This should concern all of us. How will we ever get out of this mess? Having spent three weeks in a hospital in Naples, Florida with my wife I couldn't help noticing what was going on in the hospital and I had a lot of time to talk to the doctors and nurses about what I had observed. Below is a commentary from an ER Doctor. Do you think this might be a big reason our health care system and our social security system are so screwed up? Do you think this might be a big reason our taxes keep going up? Who do you think these people are going to vote for? From a Florida ER doctor: "I live and work in a state overrun with illegal's; they make more money having kids than we earn working full-time."

"Today I had a 25-year old with 8 kids - that's right 8; all illegal anchor babies and she had the nicest nails, cell phone, hand bag, clothing, etc. She makes about \$1,500 monthly for each; you do the math. I used to say, We are the dumbest nation on earth. Now I must say and sadly admit: WE are the dumbest people on earth (that includes ME) for we elected the idiot ideologues who have passed the bills that allow this."

Sorry, but we need a revolution. Vote them all out in 2010.
